"ZIRON IS A GOOD MEDICINE"

Says Rook City, Ala. Gentleman, After Having Given It Consolentious Trial.

Ziron is a new scientific combination of pure, inorganic, official, U. S. Pharmacopoeia iron, with the hypophosphites of lime and soda and other valuable tonic ingredients, recommended by the best medical authorities in the treatment of anemic conditions.

Ziron helps to put iron into your blood and this helps to build strength for you, when you are pale, weak, nervous, depressed.

Read what Mr. Sidney Fry, of Rock City, Ala., says, and then try Ziron. He makes the following statement:

"Something over a week ago I used Ziron for the first time. I was troubled with indigestion and had a spell of weakness. Ziron helped both troubles. I felt stronger and my stomach quit hurting. I really feel that Ziron is a good medicine. It surely helped me."

Your druggist will sell you Ziron on a guarantee that if the first bottle does not benefit you, he will refund the money you paid him.

The Most Welcome Tire That Ever Came to Market

Men Who Appreciate Superlative Values Prefer The Brunswick

In every great tire factory, the
chief question is: "How much can
we give for the money?" And the
product depends on the policy
adopted.

Every man who has become ac-
quainted with Brunswick Tires
knows that Brunswick standards
are again evident. This famous con-
cern—noted as a leader in every
line it entered since 1845—has once
more proved that its policy is right.

A perfect tire is simply a matter
of knowledge and standards and
skill. No secrets nor patents pre-
vent making an ideal tire.

But standards come first. For in
tire making there is vast room for
skimping, for subtle economies, for
hidden shortcomings. Makers with-
out the highest standards don't
build high-grade tires.

The Brunswick organization of
tire makers includes a brilliant staff
of technical experts. Not a man

among them has spent less than
20 years in handling rubber.

Each is a master of his craft.
And the new ideas they bring to
the attention of Brunswick direc-
tors receive sincere consideration.

Every proved betterment is
adopted unanimously.

The Brunswick Tire is a combi-
nation of acknowledged features—
plus Brunswick standards of manu-
facture.

The result is a super-tire, the like
of which you have never known be-
fore. The kind of a tire you will
gladly join in welcoming.

Yet Brunswicks cost no more
than like-type tires.

Try ONE Brunswick. We prom-
ise a surprise. And we feel certain
that you will want ALL Bruns-
wicks.

Then good tires will have a new
meaning to you.
